

July 21, 2019

Dear 5th Grade Parents,

As part of our music curriculum, your child will be learning to play the Ukulele this year. The ukulele, a string instrument, represents a wonderful opportunity to further the music reading skills your child has already begun. We hope by giving students a positive, enjoyable learning experience they will be encouraged to develop an even greater interest in music.

We would like to provide the opportunity for you to purchase a ukulele and a tuner. These items can be ordered using the form below or purchased at a local music store. Ordering a ukulele is **NOT REQUIRED**; many students enjoy the opportunity to have their own Ukulele to practice both at school and at home. Tuners are small electronic devices that attach to the ukulele to make it sound the appropriate pitches.

School owned ukuleles **will** be available for classroom use for students who do not make a purchase. Please note that these classroom items will need to be kept at school for music class use only.

A folder, neck strap, and music examples will be provided by the teacher. If the cost is a strain on your family budget, please contact us so we may be of assistance.

If you are interested in purchasing a ukulele through the school, please have your child return this order form with payment by September 15, 2019

Thank you,
Erika Brown
Music Specialist
